**Sent:** Monday, January 18, 2021 11:15 AM  
**To:** Citizen Comments  
**Subject:** Covid vaccine for the 1b group.

I am over 65 and have heart and lung disease. I also have Lyme disease, siezyres, and vascular disease.  
I have been unable to find a place to get the vaccine. I only have a cell phone and I barely know how to use it.  
Is there any one that can help me?

Debbie Reed
