

The City of Fredericksburg has created a process for anyone requiring a renewal of a TABC Licenses or a new TABC Licenses. We ask that the requestor take this form and your TABC Packet to the following City Departments before the City Secretary will sign the Certificate:

Department

Signature from the Department

Health Department

Development Services

Once you receive the above signature, the City Secretary will then sign the Certificate. She will also make a copy of your packet and forward it to the Fredericksburg Police Department.

Thank you for cooperation,

Shelley Goodwin, TRMC
City Secretary
