

**City/County Website Announcements:
FREDERICKSBURG RELIEF ROUTE STUDY
A PUBLIC OPEN HOUSE SCHEDULED FOR JAN. 14, 2020**

We want to hear from you!

Join us for a public open house to share information and receive community input about the [Fredericksburg Relief Route Study](#). The potential relief route would relieve traffic and improve mobility in downtown Fredericksburg by giving people the option to travel around, rather than directly through, the city. The Fredericksburg Relief Route Study is overseen by the Gillespie County Relief Route Task Force. Support for the Study is provided by the City of Fredericksburg, Gillespie County and the Texas Department of Transportation.

Attendees will have the opportunity to learn more about the Fredericksburg Relief Route Study and latest developments, view the Technically Preferred Route Option and provide input. The Technically Preferred Route Option was identified using the criteria established by the Gillespie County Relief Route Task Force and publicly vetted during previous public meetings.
