

Sub-Contractor Registration Information

Thank you for your interest in working with the City of Fredericksburg. To register your company please provide the following documents and information to permits@fbgtx.org.

- Certificate of Liability Insurance
- State Issued Master License
- Driver's License
- Preferred email address to receive inspection reports
- Preferred contact #

Once all the information has been provided, it will be filed and records updated to reflect registration has been completed.

A confirmation email will be sent informing you that your registration is complete, along with the direct link to our online application (applicable to your trade).

Requests will be processed as soon as possible.

Journeyman who have permission to apply for permits under a master will need to provide a letter from the Licensed Master giving permission to do so. This letter must be signed and include the master license #. This will need to be on file prior to Journeymen applying for permits.
