2024-2025 WORK PLAN

1. BUSINESS RETENTION, EXPANSION, AND OPTIMIZATION

Our EDC will work with City government to be more deliberate about real estate and business development. We will look for opportunities to enhance our quality of life to help attract young families and high value small business targets to our community.

2. REGULATION AND OVERSIGHT

Our EDC will work with County government, the Hill Country Underground Water Conservation District, TXDOT, and others to investigate and pursue possible options for improved oversight and control of new development within Gillespie County occurring outside the City's ETJ.

3. AFFORDABLE HOUSING & OTHER LABOR FORCE ISSUES

Our EDC will work to encourage the development and construction of additional affordable single family and multifamily housing to grow the labor force in Fredericksburg and Gillespie County.

4. OTHER PROJECTS

These potential projects impact our economy or quality of life, and will continue to be additional areas of focus for the EDC:

1. Broadband.
2. A conference center/hotel development.
3. Water, agricultural & environmental issues.
